

ACCESSING YOUR ACCOUNT

TICF IS NOW AT YOUR FINGERTIPS 24/7

Thank you for choosing Toyota Industries Commercial Finance (TICF) as your financial partner of choice.

In our continuous effort to best meet your needs, we are excited to announce our latest digital enhancement. Now, you can manage your TICF account from the comfort of your computer with our **Customer Portal**!

Registering for account access through the Hino Ultimate Portal

If you financed a Hino MY2022 truck or newer with TICF, you may access the finance dashboard and account management tools via the Hino Ultimate Portal on its finance tab as part of the *Ultimate Ownership Experience*. To register for account access, you will need the account number associated with the vehicle and a TICF invoice number. The Hino Ultimate Portal also provides access to vehicle tracking, depot management, and light telematics on your Hino, among other features.

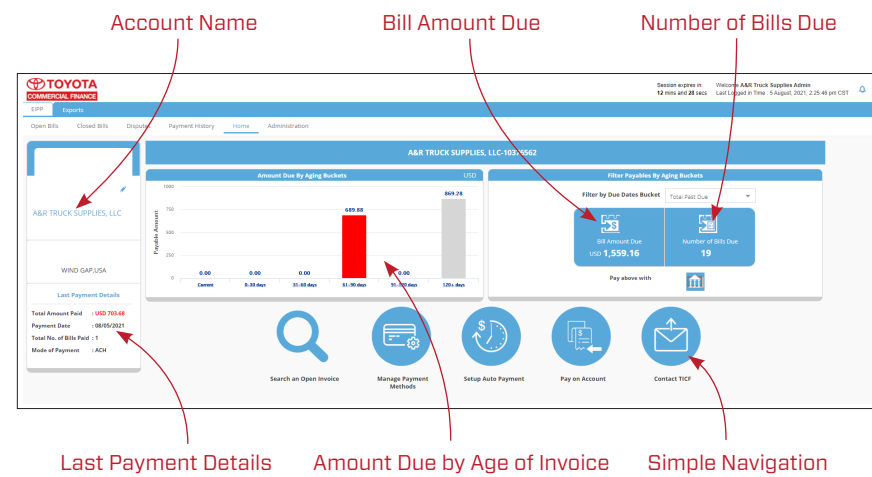

Registering for account access through **toyotacf.com**

If you financed other vehicles and other model years, you will receive an invitation to register for online access to the TICF Customer Portal within 30 days of contracting with TICF at the email associated with your TICF account. After registration, you will be able to view all the on-demand account management options available to you from your keyboard.

BENEFITS OF OUR CUSTOMER PORTAL
